Why do you want to serve on the Chamber board?	I graduated from USF in May of 2024 and I started my career in banking in Boston for the first year. Upon completion of my first year I was offered a position to help support the expansion efforts of the bank with a new team back in Tampa. I want to be fully integrated in the Tampa market and the community including serving as a board member of the North Tampa Bay Chamber. I am passionate about serving the community and building connections with other professionals in the area.
What skills or expertise can you bring to the Chamber board?	I graduated with a degree in Accounting and my experience working in banking with companies spanning numerous industries can bring some valued input to chamber members.
Will other non-profit or professional commitments	No.
