No	No/False
Why do you want to serve on the Chamber board?	To be apart of Hope team would be a honor. I love her vision and the support the chamber provides to small businesses.
What skills or expertise can you bring to the Chamber board?	Having served as an educator for global haircare brands and through my own training programs, I excel at breaking down complex information and presenting it in ways that empower others. I can help with member education, workshops, and outreach programs that support both established and emerging businesses. I've successfully organized professional conferences, training events, and community programs. I bring experience in event logistics and vendor partnerships that can elevate Chamber events and visibility.
Will other non-profit or professional commitments prevent you from fulfilling your	There is a possibility of that based on schedule. I attend to many business conferences.

Field	User's Response
commitment to the Chamber board? If yes, what are they?
