Why do you want to serve on the Chamber board?	I want to serve on the North Tampa Chamber board because I believe in strengthening the connection between local businesses, community leaders, and residents. Tampa is a rapidly growing region, and the Chamber plays a critical role in supporting that growth through collaboration, advocacy, and resources. Serving on the board would allow me to give back by contributing my business and leadership experience to help advance the Chamber's mission and create more opportunities for local businesses to thrive.
What skills or expertise can you bring to the Chamber board?	I bring a diverse background in business strategy, sales leadership, and organizational growth, particularly within healthcare IT and professional services. I have extensive experience developing go-to-market strategies, building partnerships, and leading cross-

	functional teams to achieve revenue and client growth. I also have strong connections across healthcare, technology, and professional networks that could be leveraged to strengthen the Chamber's reach and impact.
Will other non-profit or professional commitments prevent you from fulfilling your commitment to the Chamber board? If yes, what are they?	I do not currently serve on any other boards, so I have the time and capacity to fully commit to the Chamber. In the past, I have served on the board of Tampa Bay Moms of Multiples and a leader within Junior League of Tampa, which gave me valuable experience in board governance, community engagement, and nonprofit leadership.
Board members are expected to serve on or chair a committee. In which area can you contribute your expertise or work?	Chamber Foundation
What community organizations have you previously served?	I have been actively involved in the Junior League of Tampa for over 12 years, serving in multiple leadership positions during my tenure. My most recent role was Co-Chair of the Junior League's Bi-Annual Gala, where I led a large volunteer team and successfully exceeded fundraising goals to support the League's mission-driven initiatives. I also served on the board of Tampa Bay Moms of Multiples, helping to strengthen member programming, peer support, and family resources. These roles gave me extensive experience in nonprofit governance, fundraising, event planning, and driving measurable community impact.
What aspect of board service appeals to you?	What appeals to me most is the opportunity to collaborate with fellow leaders to shape strategy, expand the Chamber's influence, and positively impact the local business community. I enjoy building relationships, solving challenges, and contributing to initiatives that create meaningful growth for businesses and the community at large.
What do you hope to gain from board service?	Through board service, I hope to deepen my involvement in the Tampa business
